and you can download it [here](#).

Financial help: If your church is in danger of not being able to meet payroll, please contact Wendy at wendytajima@sangabpres.org. She can point to resources and ways to save money, and the Executive Commission will be working on a system for providing financial help for churches, utilizing funds from the Presbytery and the Synod of Southern California and Hawaii. The goal is for churches to avoid if at all possible any cuts in church staff compensation, at least for the short-term.
