## OTHER RESOURCES

[Pastoral Care: Resources for Mental Health and Domestic](#)

**An online Easter service**, led by the leaders of the PC(USA), will be made available at [pcusa.org](http://pcusa.org) starting April 9. Churches can watch the service or use any elements of the service in your own Easter celebrations. Click [HERE](#) for more information.

**One Great Hour of Sharing** can be received many ways—see [here](#). If it's just too much to handle right now, you can set another date throughout the year to receive it.

**Paycheck Protection Program loans**—talk to your bank NOW to see if they are processing these loans, and get their application information if they are. If not, contact [wendytajima@sangabpres.org](mailto:wendytajima@sangabpres.org)—or pastor Cory Marquez works with a lender and they are open for applications; email him at [cmarquez@telacu.com](mailto:cmarquez@telacu.com) for information. Note: talk to your lender about how to fill the “Applicant Ownership” section. Also, questions came up about being “affiliated”—because our connectional nature is part of our theology, there is an exemption for most churches. Attached is a sample “Addendum A” that should be added to your application.

**“Jesus Walked this Lonesome Valley”**—Rev. Aisha Brooks-Lytle, Greater Atlanta Presbytery executive, sings this for use by churches or anyone who needs to be encouraged to persist through this crisis.

**Holy Week: [Illustrated Children's Ministry Activities for All Ages](#)**

Including a Easter mosaic coloring page that can be put together into a large mosaic when we return together for worship.
