NEW THIS WEEK

Reflection from Executive Presbyter Rev. Wendy Tajima: [Speaking and Loving](#)

GA224 is history. Go [here](#) for a series of news articles from Presbyterian News Service.

LA County updated their [Frequently-Asked Questions about Coronavirus](#). A few reminders from this document (by question number):

12. You should not have visitors, other than people who need to provide essential services, such as caregiving or repairs.
18. Childcare facilities can be open, as long as they follow requirements that are described in the Order.
21. [Children] can attend day camps (including sports-related camps for skills-building only), although overnight camps aren't open yet.
35. Individual and family gatherings or parties of any size aren't allowed. However, vehicle (car) parades are now . . . See the [Vehicle-Based Parade Protocol](#) for rules and requirements.
37. [M]ost face-to-face visits are still not allowed at . . . residential care facilities and at some hospitals, except for in certain circumstances (visiting a child and for end-of-life visits). However . . . some are now allowing visitors. If your loved one is in a facility, ask if they're allowing visits.

COMMUNITY CARE

Check out the [San Gabriel Presbytery Website](#) for information about ways to help in the community.

Our Presbytery offering went to ICON, the Inland Communities Organizing Network, as they organize community members for affordable housing in the Pomona area. If you want to learn more about ICON, go to <http://www.icon-iaf.org/>, and you can still give by going to <https://sangabpres.org/donate/> and using the drop-down menu to give "to Presbytery Offering."

Tapestry's 10th annual Summer Mission Week has gone Virtual!

Join us as we partner with Presbyterian churches for daily adventures as we learn and serve in mission.

This is an opportunity for youth from churches to really dive into what it means to serve our communities in faithful mission partnership. Each day they will learn about a different social justice activity, dive into it and get their hands dirty, and then come together afterward to spend time praying for the work they just became part of for that day.

This week is open to all students, so invite your friends!
