Department of Health & Human Services' Partnership Center just put out a guide called "Compassion in Action: A Guide for Faith Communities Serving People Experiencing Mental Illness and Their Caregivers"

at <https://www.hhs.gov/sites/default/files/compassion-in-action.pdf>

They will be hosting a webinar highlighting aspects of this guide on July 14 at 9 AM: visit [https://www.zoomgov.com/webinar/register/WN\\_Le77YGFQma3C6smn3EqQw](https://www.zoomgov.com/webinar/register/WN_Le77YGFQma3C6smn3EqQw)

The Department of Mental Health offers free resources, including [Headspace](#) and the [Emotional Support Warmline \(800\) 854-7771, extension 2](#). Please remember to practice self-care while you are devoted to community-care.

This is an opportunity for youth from churches to really dive into what it means to serve our communities in faithful mission partnership. Each day they will learn about a different social justice activity, dive into it and get their hands dirty, and then come together afterward to spend time praying for the work they just became part of for that day.

This week is open to all students, so invite your friends!
