**Child Tax Credit Expanded so Almost All  
Families with Children Under 18 Qualify**

The American Rescue Plan expanded the Child Tax Credit to cover nearly 90% of U.S. children. New IRS tools let you see if your family is eligible and how to provide information that is necessary to receive this credit **even if you don't normally file taxes**. Use the IRS Advance Child Tax Credit Eligibility Assistant to check if you might be eligible for monthly payments that started in July. Go to: [go.usa.gov/x6yjs](https://go.usa.gov/x6yjs) and get the word out to all families with children 17 years old and younger that you know, especially families that don't file taxes! **The information is available in multiple languages on the IRS page.** To get answers to some of your questions about the CTC and who is eligible click [HERE](#).
